

CERTIFICATE OF INTERNSHIP COMPLETION

Presented by Visiomatix Media Foundation This certifies that

Devansh Negi

has successfully completed his internship at **Visiomatix Media Pvt. Ltd.** as a **Backend Developer Intern**, under the guidance of our professional team.

During his internship from **18 May 2026 to 05 June 2026**, he demonstrated dedication, responsibility, and a strong willingness to learn. He actively supported various backend development activities, including server side programming, database management, API development, debugging, and assisting in the implementation and enhancement of backend application features.

We appreciate his commitment and professional approach throughout his internship journey and wish him continued success in all his future endeavors.
